

California Charter Schools Grant Program
ANNUAL EVALUATION FORM
(Grant Cycle _____)

Name of School **Charter School**

Series Acct. Code	Work Product	Short Narrative of Progress To Date	\$ Budgeted	\$ Spent	% Spent	Comments
(Take directly from your grant proposal)	(Take directly from your grant proposal-one work product or deliverable per box-until all are discussed.)	(Provide a short narrative on the progress you have made on this item. Use as much space as needed. Indicate what tangible results, work products and/or deliverables have been produced.)	(Take directly from grant application budget or last <i>approved</i> Budget Revision Request.)			(Describe any special circumstances or issues that have arisen. Describe any incidental changes made. Describe any substantive changes being requested.)
			\$ Budgeted	\$ Spent	% Spent	

Totals

Inventory List	Overall Comments
Please provide an inventory (Accounting Code Series 6000) of the equipment purchased with grant funds, purchase date, description of the item, and purchase price. (All equipment purchased with grant funds should have a label or other identifier clearly marked on it that identifies the items as having been purchased with federal grant funds. The label should provide an identifier that clearly ties the item to the equipment inventory list of purchased items).	(Describe any special circumstances that have arisen.)
Special Education	Overall Comments
<p>Please provide a brief description of how eligible students enrolled in your charter school receive special education and related services.</p> <p>Indicate whether, for special education purposes, your school operates as:</p> <p>_____ A school within the district.</p> <p>_____ A local education agency (LEA) member of a Special Education Local Plan Code (SELPA) [If operating as an LEA, please indicate under which SELPA: _____]</p>	(Describe any overall circumstances that have arisen that are impacting the project.)

Oversubscribed Schools	Overall Comments
If your school is oversubscribed , please describe the lottery process you employed to determine enrollment. (Please attach a copy of announcements you made to inform the public of your random lottery.)	(Describe any overall circumstances that have arisen that are impacting the project.)

Disadvantaged Students	Overall Comments
If you received preference under the promise to serve educationally disadvantaged students, describe your specific efforts to solicit students from the specific API 1 or 2 schools named in your application. If you are operating, how many of your enrolled students are students whose assigned neighborhood school is the API 1 or 2 schools named in your application?	(Describe any overall circumstances that have arisen that are impacting the project.)

Benchmark Status Performance	Overall Comments
(Complete only once on the last page of the report. Describe how you fulfilled the mandatory performance benchmarks. Use as much space as needed.)	(Describe any overall circumstances that have arisen that are impacting the project.)
